David J. Bradley, Clerk of Court

United States District Court  
Southern District of Texas  
Houston, Texas

Motion to object to non-notification  
of additional interested Parties in  
Civil Action 2:17-CV-18

To the Honorable Judge of said Court,  
Now comes Shawn Kelly Vinson AKA Sekere,  
Intervenor as a party Plaintiff in Civil Action  
2:17-CV-18 and presents an objection in the above  
Civil actions.

Arguments

Your Honor, Civil Action 2:17-CV-18 has a deadline  
date of May 6th, 2020 for additional parties

The Court has provided no notification of this Civil  
action and the issues in the complaint is not only  
very similar to my issues, it also affects every  
transgender woman in the Texas Dept. of Crim Justice

I myself only learned of the suit on April  
26th, 2020 and the complaint was presented to the  
Corpus Christi Division Jan. 2017

Your Honor I live next door to the Plaintiff and  
just found out about the complaint and the issues

that mirror mine that are before the Court.

It was impossible for any of us transgender women to know about this action in this District or any other District that is now before the Court.

### Conclusion

Your Honor, I would ask that the Court slow this down and advertise the Civil action so as to let all Transwomen in the TDCJ to be able to air their complaints in front of the Courts to prevent subsequent suits that clog the Courts when only one could settle the many issues that face us as a class in the TDCJ.

So Prays the  
Intervenor
